

HYDROLOGY CONFERENCE 2010

The Changing Physical and Social Environment:
Hydrologic Impacts and Feedbacks

11 – 13 October, 2010

Hilton San Diego Resort & Spa, California, USA

Hydrology Conference 2010 **San Diego, CA, USA | 11 – 13 October 2010** **Sponsorship and Exhibiting Information**

This major international conference, taking place in San Diego, USA, October 11 – 13, 2010, will target the developing interdisciplinary science themes in the interface between hydrology and other scientific disciplines, including climate change, biology, chemistry and social sciences. These subjects are of particular relevance as population increases and a changing climate bring new pressures on hydrological systems around the world.

We are pleased to offer a variety of commercial opportunities for companies wishing to promote themselves to the delegates at the conference who will include: hydrologists, economists, engineers and social scientists. Each package is designed to provide you with a high visibility presence at this high quality event. Information on these opportunities is detailed below.
